Competitors participate in the regatta at their own risk and on their own personal responsibility for all purposes. Each boat, and for it its owner or his or her representative, will be solely responsible for the decision to set sail or to continue in the regatta. The Organizers, the Event Director, the Regatta Committee and the Jury decline all responsibility for any damages occurring to persons or things, either on land or at sea, as a result of their participation in the regatta. The owner, or his or her representative is the sole person responsible for the safety of his or her craft and for the compliance of the on-board equipment with the requirements of navigation and of the safety of the persons on board and seafarers in general. The passing of any preliminary test in no way constitutes a release from responsibility for the owner, who jointly with his or her crew, remains the only person who must know the state and effectiveness on the on-board security equipment. Specific attention is also drawn on the R.R. ISAF Basic Rules in force. By registering for the event, each competitor automatically and without any further notice grants the Organizing Body and the Sponsors of the event itself perpetual right to use, at their discretion and without any payment, any image, photo or video taken or recorded or any other type of recording made during the period of the event in which the competitor took part, and also any material related to the afore mentioned event.
